## TO CUBA WITH LOVE

In November Reapers returned to Cuba with a team of nine men.

We were able to buy two more houses and a larger fishing boat. The smaller boat will continue to be used by a church while the larger boat will be used by the Presbytery. Believe me when I say, "It was God that brought it all together."

One of the properties was owned by the pastor who was moving to the States. Not only were we able to purchase the house but most of the furniture, appliances, a key board and sound system. The other property is located next door to the building and already being renovated for a church. This will more than double their space for future ministry.

Reapers shipped seventy boxes last August, and the team carried five hundred pounds. What a huge blessing to hundreds of families; gifts, clothes, hygiene products, sewing machines, fabric and accessories to set up another sewing centre.

Reapers is looking at leasing farm land through local churches, enabling them to grow vegetables to sell and/or distribute among the congregation as needed.

Okay one more project, just because I can... a town laundry mat run by the local church. We already own the building we just need to buy the washers, dryers and water pump. Remember our goal is sustainable development for the years to come!

- Deseronto ON

### March 30 - April 6:

### CUBA MISSIONS TRIP

Work Team / Leadership  
Conference / Church  
Services

## MAKING MIGHTY MEN CONFERENCE

Reapers hosted its fifth Men's Conference working with Billy Richards, Church on the Queensway and Cornerstone Church in Gananoque. This is always a special day away with men from all across eastern Ontario. The format is simple; Worship, Word, food and fellowship, missions offering, and altar. The men donated dozens of winter coats for Souls for Christ and gave over \$14,000 for our work in Cuba. I continue to hear such good reports of what Holy Spirit did in the lives of the guys. Thinking we should do it again in Gananoque next October 26th.

## THOUGHTS FROM MY JOURNAL

God's Hands - His Blessing  
God's Face - His Beauty  
God's Heart - His Burden

## HARVEST PRINCIPLES

The Harvest is a Process. needs a plan, its a partnership, its a Priority!

## CHRISTMAS IS GIVING

I love to close out each year supporting ministries already doing great work, to stand with them, and bless their efforts. With help from friends, Reapers was able to bless twelve other incredible organizations in December. These men and women are my Heros in Faith, day in and day out, working tirelessly for the Kingdom.

This translates into hundreds of people enjoying a Christmas that seemed out of reach. I love working with Family Worship Centre to host two Christmas Dinners, one for moms and kids, and the other for the homeless. Catered dinners, warm clothes, lots of gifts, and an opportunity to share Jesus. It's always humbling and gratifying knowing that Reapers represents so many who lift us up in prayer and entrust us with their donations. A BIG thank you for our best year ever!

## REAPERS WAREHOUSE

Looking for donations for our upcoming online Charity Auction.

Give Rod a call 289 675 8600

## DURHAM & CLARINGTON MEN'S BREAKFAST

Saturday, February 3<sup>rd</sup>, 9:00 a.m.
