Highlights of what we were able to do because of your support

A group of teen-mothers were able to start income generating activities. Thank you for supporting our mission.

Over 56 vulnerable pupils were provided school uniforms, and the full year school fees were paid in the district of Ruhuha, Rwanda.

Because of your support, we were able to provide basic medical insurance to 100 families in the district of Ruhuha, Rwanda. The need is humungous but we trust that each step we take brings us closer to making considerable impact.

Shelter for an elderly survivor of the genocide against the Tutsi, in Rwanda

We were also able to complete a very emotional project when we provided a shelter to an elderly survivor of the genocide against the Tutsi, in Rwanda. Although this might be seen as a very modest home, this wonderful father has a place he can go to after a long and busy day. We are so grateful we were able to put a smile on his face.
